**6:01 PM Vote to close Sycamore St to 2 way traffic at the Route 146 North Bound interchange per MA DOT Request:**

DPW Director Nastasia addressed the Board and fielded questions regarding the MA DOT request to close the interchange for the duration of the Route 146 Bridge construction project. The precipice of this request was a horrific accident involving a car and a tractor trailer. It was alleged that the vehicle had exited Sycamore St. into the north bound travel lane leaving the tractor trailer no time to stop. It was agreed to send a correspondence to MA DOT indicating the Board's vote and to request that MA DOT installs a turnaround at the end of Sycamore St. with a radius adequate for buses to change direction without having to back- up or do a 3 point turn.

Motioned Krumsiek, 2<sup>nd</sup> Despres and voted all aye.

**6:25 Adjournment**

Motioned Krumsiek , 2<sup>nd</sup> Naff, seconded, all aye to adjourn.

Respectfully Submitted:
