

FINANCE COMMITTEE REPORT

FISCAL PERIOD JULY 1, 2013 THROUGH JUNE 30, 2014 ANNUAL FALL MEETING
Containing the Recommendations of the Finance Committee

PLEASE BRING THIS REPORT WITH YOU TO ANNUAL TOWN MEETING

ANNUAL FALL TOWN MEETING – MONDAY, NOVEMBER 4, 2013 AT 7:30 PM
MIDDLE/HIGH SCHOOL AUDITORIUM

PRE-TOWN MEETING – OCTOBER 30, 2013 AT 7:30 PM
VETERANS MEMORIAL BUILDING – ROOM 229

To the Residents of Millis:

Introduction:

The purpose of the Fall Town Meeting is to deal with funding and other issues that arise between the regular annual May Town meetings. These include emergency appropriations for such items as fixing and replacing critical equipment, budget adjustments, accounting reviews, legal issues and other issues that can't wait until the annual Town Meeting. Most major appropriations and capital expenditures will be deferred until the annual Town Meeting.

At the present time we are facing a few important and time-sensitive expenditures for your consideration at this Town Meeting. One is that the heating system boilers in the Town Hall/Veterans Memorial Building (VMB) need to be replaced. As a result of the failure of a portion of the existing boilers, the compromised system will now not be able to provide sufficient output for heating the building during the upcoming winter months. You will also be considering replacement of a DPW truck that has approximately 140,000 miles on it and is unlikely to last through the upcoming winter plowing season. These articles will be discussed in more detail shortly.

Articles Overview:

Let me give you a brief overview of the 34 articles that we will be presenting to you this evening:

- There are 2 zoning articles that deal with where the Town might allow the sale of agricultural products, Marijuana or the establishment of a business offering adult entertainment.
- 13 articles deal with capital purchases, building maintenance and road work. These include replacement of the heating system boilers in the Town Hall (Veterans Memorial Building), a DPW truck, enhancements to the controls and heating systems for the Departments of Water and Sewer and repairs to the Veterans Memorial Building.
- 6 articles involve funding/financial allocations to budget line items, such as funding unpaid bills, adding to the stabilization fund, setting up a revolving fund for the rabies clinic, et al.
- 6 items deal with contracts, some of which have been agreed upon and others that are still being negotiated.
- The remaining 6 articles involve a petition for a sports field, a feasibility study for Town fields, a scenic roads designation, a town employee reclassification and a tax work off program for veterans.

The Finance Committee will present an overview of each article and its recommendations. However, the final responsibility rests with you to approve, or not, each of the articles. In arriving at our recommendations, the Finance Committee has considered many factors, including the immediacy of the need for a project, the cost of the project, available funds and the impact on future requirements. Regardless, the residents who attend the Town Meeting are the final decision makers.

Role of the Finance Committee:

The function of the Finance Committee is to act as an advisor to the voters of the Town of Millis, with whom the ultimate appropriating authority rests. The key management groups in town are the Town Administrator, who reports to the elected Board of Selectmen and administers municipal functions, and the Superintendent of Schools, who reports to the elected School Committee and is responsible for the administration of school operations. The Finance Committee is an unelected body of volunteers who are residents of the community and are appointed by the Town Moderator. The Finance Committee functions as an advisory group but does not set policy. The purpose of the Finance Committee is to study the budget and each warrant article in detail and to make recommendations on each article at the Town Meeting. Our recommendations are just that, recommendations. It is the vote of those who attend the Town Meeting that results in actions being taken.

This pamphlet contains a list of all the articles that will be presented at the November 4th Town Meeting with an accompanying recommendation from the Finance Committee. The Finance Committee will hold a Pre-Town Meeting on October 30th in room 229 of the Veterans Memorial Building, at which time we will review all of the articles and answer any questions from the audience.

Town of Millis Fall Town Meeting November 4, 2013 Article Summary

These are the recommendations of the Finance Committee as of October 16, 2013. These are subject to change prior to the Town Meeting date.

Article 1 Rezone I-P-2 District for Agricultural Retail Use

This article adds retail agricultural goods and equipment to the list of permitted activities in I-P-2 District which is the area extending out Rt. 109 to the Medway line. This usage fits in with other allowed uses in that area. The Finance Committee recommends approval of this article.

Article 2 Amend Zoning By-Law

This article restricts Adult Entertainment uses to the I-P-2 District instead of allowing it in any industrial district. I-P-2 is the area extending out Rt. 109 toward Medway. The town is required by MGL to establish an area where adult entertainment is permitted. Formerly it was allowed in any industrial district, but the other town industrial district - the area around Ann and Hope and GAF - abuts some residential areas. The Planning Board thought that restricting Adult Entertainment to I-P-2 better reflects the town.

This article also establishes the I-P-2 District as the area where Medical Marijuana Centers are allowed. The town is required by MGL to establish an area where Medical Marijuana is permitted. The Planning Board thought the I-P-2 District was most appropriate for this activity.

Both of these uses will require that a special permit be issued. The Finance Committee recommends approval of this article.

Article 3 Cedar Street/Farm Street Sewer Project

This article would address the extension of the sewer line from the upcoming new development off of Farm Street. The Finance Committee's recommendation will be at Town Meeting.

Article 4 Rescind Portion of Chapter 90 Appropriation

At the May Town Meeting \$413,945.00 was appropriated for Chapter 90 funds, the state came back with an actual of \$275,963.00 therefore \$137,982.00 must be rescinded. The Finance Committee recommends approval of this article in the amount of \$137,982.00.

Article 5 Rosenfeld Road Drain Modification

This article would fund the design phase to modify the drainage system. The system has five pipes draining into one discharging into the manhole. The roots have been removed from the system to help alleviate the problem until the modification is designed. The Finance Committee recommends approval of this article in the amount of \$12,000.00.

Article 6 DPW Truck (Water and Sewer Departments)

This article would replace a truck with 140,500 miles and rusting with a more reliable vehicle. The proposed truck will have a number of useful attachments including a generator, plow and lights. The Finance Committee recommends approval of this article in the amount of \$64,384.00.

Article 7 DPW SCADA Computers (Water and Sewer Departments)

This article would replace outdated SCADA computers with new hardware and software. The Finance Committee recommends approval of this article in the amount of \$21,473.98.

Article 8 DPW Well/Station Heaters (Water and Sewer Departments)

This article would update the heating units to properly control the heat for the SCADA computers at the town's wells and sewer stations. The Finance Committee recommends approval of this article in the amount of \$22,545.00.

Article 9 Veterans Memorial Building Boiler

The purpose of this article is to fund the purchase of a new boiler for the Veterans Memorial Building. The current boiler is currently failing; this boiler is needed prior to the wintertime. The Finance Committee's recommendation will be at Town Meeting.

Article 10 Veterans Memorial Building Flooring

The purpose of this article is to fund the replacement of the flooring in the Veterans Memorial Building. The carpet is in poor shape and is in need of replacement, for safety purposes. The Finance Committee recommends approval of this article in the amount of \$15,125.00. Replacement will be in the Council on Aging, Room #130 & the Recreation Department.

Article 11 Veterans Memorial Building Masonry Project – Design Services

The purpose of this article is to fund the necessary external repairs to the Veterans Memorial Building. The masonry and window casement on approximately ½ of the building has been repaired; this funding is for a design study for the remaining repair and remediation. The Finance Committee recommends approval of this article in the amount of \$30,000.00.

Article 12 Veterans Memorial Building Gym Painting Project

The purpose of this article is to fund the painting and repair of the Veterans Memorial Building gymnasium. Funds are already available for the remaining necessary remediation; the Finance Committee recommends dismissal of this article.

Article #13 DPW Union Contract Settlement

The purpose of this Article is to agree to the terms of settlement of the DPW Union Contract that expired on June 30, 2013. The terms of the settlement include a 2% pay increase for each of the three years starting July 1, 2013. The cost to the Town of Millis for the first year will be \$19,500.00. The Finance Committee recommends approval of this article.

Article # 14 Police Union Contract Settlement

The contract has not been settled. The Finance Committee's recommendation will be at Town Meeting.

Article #15 Dispatch Union Contract Settlement

The contract has not been settled. The Finance Committee's recommendation will be at Town Meeting.

Article #16 Traffic Supervisors Union Contract Settlement

The purpose of this article is to agree to the terms of settlement of the Traffic Supervisors Union Contract. The Union members have agreed to accept a 2% wage increase for the fiscal year 2014, which runs from July 1, 2013 through June 30, 2014. The cost of these settlements is \$713.00. The Finance Committee recommends approval of this article.

Article #17 Add to Stabilization Fund

The Finance Committee agreed to a policy last year for maintaining the Stabilization Fund at 5% of the gross Town revenues, to the greatest degree possible. Under those guidelines, our obligation is to attempt to fund the Stabilization Fund in the amount of \$52,910.00 at this Town Meeting. An additional \$30,500.00 will be added to the Stabilization Fund for potential union contract settlements, bringing the total to \$83,410.00. The Finance Committee's recommendation will be at Town Meeting.

Article #18 Add to the OPEB Trust Fund

The purpose of this article is to add funding to the town's OPEB Trust Fund. The Finance Committee's recommendation will be at Town Meeting.

Article 19 Veterans Property Tax Abatement Program

The purpose of this article is to fund a program, similar to the one for senior citizens, which allows veterans to reduce their property tax bill (up to a maximum of \$800) by performing community services for the town. The program is authorized by the provisions of Mass. General Laws Chapter 59, Section 5N. The Finance Committee recommends Town Meeting approve this article in the amount of \$14,400.00.

Article 20 Centennial Park Hazardous Materials Abatement

The purpose of this article is to fund the cost of study and/or abatement of hazardous materials, known to be present in quantities that exceed state testing minimums, on town property formerly known as Centennial Park and currently encompassing portions of what is now the library parking lot. The Finance Committee recommends Town Meeting approve this article in the amount of \$29,000.00.

Article 21 Regional Energy Manager Position (Grant Match)

The purpose of this article is to fund a new Regional Energy Manager position and authorize the Board of Selectmen to apply for grants to help defray the cost. The position (and cost thereof) would be shared with the town of Medway and be responsible for analyzing energy needs and use and recommending cost saving measures, as well as researching and writing Federal and State grant applications related to energy conservation. The Finance Committee recommends Town Meeting dismiss this article.

Article 22 Dewey Property Tree/Brush Removal (CPC)

The purpose of this article is to appropriate funds from the Open Space Reserve Fund to cover the cost of trimming and/or removing trees and brush from the perimeter of the former Dewey property, located at the intersection of Exchange Street and Orchard Street. The Finance Committee recommends Town Meeting approve this article in the amount of \$3,950.00.

Article 23 Ellice School Improvement Project (CPC)

The purpose of this article is to appropriate funds from the Community Preservation Historic Resource Reserve Fund to cover the cost of Phase I of the Ellis School Improvement Project. The Finance Committee recommends Town Meeting approve this article in the amount of \$12,500.00.

Article 24 Designate Bullard Lane a scenic road

This article is submitted by the Planning Board to designate Bullard Lane as a scenic road under MGL Chapter 40 Section 15C. This means that before any work involving removal of trees or stone walls is allowed on Bullard Lane approval of the Planning Board is necessary. The Finance Committee recommends approval of this article.

Article 25 Unpaid Bills

This article covers bills previously unpaid and not included in previous actions of Town Meeting. The Finance Committee's recommendation will be at Town Meeting.

Article 26 Millis Rabies Clinic Revolving Fund

This article was submitted by the Board of Health. It allows the Board of Health to set up a revolving fund to collect fees and donations at the annual Rabies Clinic and use those fees to cover the cost of the Rabies Clinic. Currently those costs are covered under the Board of Health Budget. That will not be included in next year's Board of Health budget when this revolving fund takes effect. The Finance Committee recommends approval of this article.

Article 27 Council on Aging - Add Drivers to Personnel Plan & 2% Wage Increase

This article provides for the drivers for Council on Aging vans and a receptionist to be covered under the town Personnel Plan. This would correct an oversight in developing the plan for FY14. The funding provides for pay increases retroactive to the beginning of the fiscal year. The Finance Committee recommends approval of this article in the amount of \$500.00.

Article 28 Reclassification Request

This article requests a reclassification of the position of Department Assistant III (Grade 7) in the Town Clerk's office. The responsibilities of this position require a greater degree of responsibility and autonomy than normally expected of a person in this position, due to the supervisor not being a full-time employee. The request is for an increase in grade and salary increase retroactive to the beginning of this fiscal year. Approval recommendations are pending Board of Selectmen approval after publishing of this document. The Finance Committee's recommendation will be at Town Meeting.

Article 29 Community Notification System

The purpose of this article is to provide for a telephone notification system. The current system is a county system and Millis is last in line and subject to a long wait, delaying the communication of important information to town residents. This can be especially troublesome during county-wide and state-wide emergencies. This spending is expected to recur annually. The Finance Committee recommends approval of this article in the amount of \$4,500.00.

Article 30 School Special Needs Van

This article provides for an additional van to keep the fleet of vans in operable condition. There is an on-going requirement for 21 vans. As several vehicles in the current fleet are above 100,000 miles, and nearing the end of their life cycle, an additional van is needed to keep the fleet fully operational. The Finance Committee recommends approval of this article in the amount of \$22,577.00.

Article 31 American Legion Heating System

The heating system at the American Legion requires replacement to assure coverage over the upcoming winter season. This article provides for a more efficient system for this facility which supports other non-profit town organizations (e.g., boy scouts) as well as veterans of armed forces. Alternative fuel sources were investigated, but fuel oil was felt to be the most efficient solution given high costs of fuel conversions. The Finance Committee recommends approval of this article in the amount of \$8,200.00.

Article 32 Town Fields Citizen Petition

This article is a Citizens Petition asking the town of Millis to exempt from the provisions of Proposition 2 ½ the sum of \$3 million. Said sum would cover the issuance of a bond, the proceeds from which would be used to fund the design and construction of new athletic fields and associated facilities, including a multi-use turf field and rubberized track to be located on the grounds of the Town Park directly

behind/next to Veteran's Memorial Building. The Finance Committee recommends Town Meeting dismiss this article.

Article 33 Town Fields Study

This article would fund a feasibility study for municipal fields adjacent to the school, the school fields, Oak Grove Farm, the Cassidy property and Conservation Commission properties. The Finance Committee recommends approval of this article in the amount of \$30,000.00.

Article 34 Urban Domesticated Fowl or Rabbit Regulations

This article was submitted by the Planning Board to add to the General Bylaws Article XXII to allow for the raising or keeping of domesticated fowl or rabbits for private purposes on residential property. Currently this use is only allowed on farm properties. This article reflects a current demand for citizens to keep fowl or rabbits in residential areas for private use. The Finance Committee recommends approval of this article.

(i) a description of any waivers from DPH regulations issued for the Medical Marijuana Treatment Center.

(2) The Planning Board shall refer copies of the application to the Building Department, Fire Department, Police Department, Board of Health, the Conservation Commission, the Highway Department, and the Board of Water Commissioners. These boards/departments shall review the application and shall submit their written recommendations. Failure to make recommendations within 35 days of referral of the application shall be deemed lack of opposition.

(3) After notice and public hearing and consideration of application materials, consultant reviews, public comments, and the recommendations of other town boards and departments, the Planning Board may act upon such a permit.

3. Special Permit Conditions on Medical Marijuana Treatment Centers: The Planning Board shall impose conditions reasonably appropriate to improve site design, traffic flow, public safety, protect water quality, air quality, and significant environmental resources, preserve the character of the surrounding area and otherwise serve the purpose of this section. In addition to any specific conditions applicable to the applicant's Medical Marijuana Treatment Center, the Planning Board shall include the following conditions in any special permit granted under this Bylaw:

- a. Hours of Operation, including dispatch of home deliveries;
- b. The permit holder shall file a copy of any Incident Report required under 105 CMR 725.110(F) with the Zoning Enforcement Officer and the Planning Board within 24 hours of creation by the Medical Marijuana Treatment Center. Such reports may be redacted as necessary to comply with any applicable state or federal laws and regulations;
- c. The permit holder shall file a copy of any summary cease and desist order, cease and desist order, quarantine order, summary suspension order, order limiting sales, notice of a hearing, or final action issued by DPH or the Division of Administrative Law Appeals, as applicable, regarding the Medical Marijuana Treatment Center with the Zoning Enforcement Officer and Planning Board within 48 hours of receipt by the Medical Marijuana Treatment Center.
- d. The permit holder shall provide to the Zoning Enforcement Officer and Chief of the Police Department, the name, telephone number and electronic mail address of a contact person in the event that such person needs to be contacted after regular business hours to

address an urgent issue. Such contact information shall be kept updated by the permit holder.

- e. The special permit shall terminate within five years of its issuance. If the permit holder wishes to renew the special permit, an application to renew the special permit must be submitted at least 120 days prior to the expiration of the special permit.
- f. The special permit shall be limited to the current applicant and shall lapse if the permit holder ceases operating the Medical Marijuana Treatment Center.
- g. The special permit shall lapse upon the expiration or termination of the applicant's registration by DPH.
- h. The permit holder shall notify the Zoning Enforcement Officer and Planning Board in writing within 48 hours of the cessation of operation of the Medical Marijuana Treatment Center or the expiration or termination of the permit holder's registration with DPH.

4. ARTICLE 34. To see if the Town will vote to amend its General Bylaws by adding a new section, ARTICLE XXII, DOMESTICATED FOWL OR RABBIT REGULATIONS, AS FOLLOWS:

"ARTICLE XXII. DOMESTICATED FOWL OR RABBIT REGULATIONS

1. Purpose – The purpose of this Article is to insure that the raising or keeping of domesticated fowl or rabbits for private purposes by the owner(s) of residential property is done in a safe and appropriate manner so as not to create a nuisance or detriment to the health, safety and/or welfare of the community. Accordingly, the raising or keeping of domesticated fowl or rabbits shall be subject to the provisions set forth below in addition to and notwithstanding any other applicable local and state regulations.

The provisions of this bylaw shall not apply to farm properties or agricultural operations recognized under MGL Ch. 40A, Section 3.

2. Definitions –

"Domesticated fowl" shall mean chickens, geese, ducks, peafowl, turkeys and the like.

3. Regulations - All domesticated fowl or rabbits governed by this by-law shall be raised and kept in a safe and humane manner, consistent with best agricultural practices and as required under all applicable state and local regulations, including, but not limited to, the below. Regulations for the raising and keeping of domesticated fowl or rabbits in Millis under this bylaw may be promulgated by the Board of Health which shall include, but which shall not be limited to, the following. The failure of the Board of Health to adopt regulations under this section shall not waive or invalidate the provisions set forth below:

Regulations for the raising or keeping of domesticated fowl or rabbits shall include, but are not limited to, the following minimum standards:

- A. Enclosure & Shelter. Domesticated fowl or rabbits shall be confined with fencing or other enclosure sufficient to prevent access to the animals by dogs or other predators. Said enclosure shall contain a minimum of ten (10) square feet of open area per adult animal. Within or attached to any such enclosure shall be provided a covered, predator -proof shelter or roosting structure (e.g. coop, dovecote, hutch, or shed, as appropriate) that is thoroughly ventilated, of sufficient size to admit free movement of the animals, designed to be easily accessed, cleaned and maintained by the owners, and at least 2 square feet per animal in size. As appropriate to the species, animals may be required to be shut into the shelter coop at night, from sunset to sunrise.
- B. Feed Storage. Feed shall be stored in a secure, rodent- and predator-proof container in a manner that will not attract pests.
- C. Waste. Waste shall be collected and stored in a covered container and removed from the property at suitable intervals, or composted on site in a manner that will not attract pests or promote disease. No animal waste may be put into household trash.

Odors & Noise. Odors from domesticated fowl or rabbits, their waste, compost, or other related substances shall not be perceptible at the property boundaries. It shall be a violation of these regulations for the owner, custodian, or keeper of any animal governed under these regulations to allow the animal(s) to be a nuisance to any neighbors, including but not limited to: noxious odors from the animals or their enclosure; and noise of a loud and persistent and habitual nature.

4. Registration & Inspections - Prior to acquiring any domesticated fowl or rabbit, the property owner of the proposed site shall file with the Millis Health Department an application describing fully and accurately his or her proposal to raise and keep domesticated fowl or rabbits, and identifying the property involved. If an applicant is anyone other than the owner of the proposed site, the application shall contain the owner's signature and approval.

The Health Director may require that such applications be made on forms provided by the Millis Health Department. All registration applications shall be reviewed and approved, denied, or approved with conditions by the Health Director after consultation with the Animal Control Officer. Any approval holder, or owner of property subject to such approval, shall thereafter abide by the provisions of the best practice regulations established hereunder and any specific condition(s) imposed under said approval, and, consistent with the laws of the Commonwealth, shall permit annual inspections and such other inspections of the premises as may be required under the provisions of MGL Ch. 129, Section 7.

Except as provided for below, as part of every application made under these regulations, an applicant shall provide a copy of a certified abutter's list obtained from the Assessor and written notice of his/her intent to raise or keep domesticated fowl or rabbits, to be sent by the Health Director to parties in interest in the manner set forth in MGL Ch. 40A, Section 11. The notice shall fully and accurately describe the location and the proposed number and type of animals, as well as all associated structures and facilities. The notice shall also indicate that abutters have the right to file with the Health Director written comments in support of or objecting to the application, and shall indicate the deadlines, as set forth below, for submission of comments.

No certified abutters list, nor any notice to abutters, nor an administrative hearing shall be required in those instances where a special permit will also be required under the Town's Zoning Bylaw for the keeping or raising of animals subject to an application under this bylaw.

5. Fees - Under the provisions of MGL Ch. 40, Section 22F, the Health Director is authorized to set reasonable fees for registration and such inspections as may be required hereunder. There shall be no reimbursement or pro-rating of application or inspection fees.

6 . Administrative Hearing - Where no special permit will be required under Millis' zoning for the keeping or raising of animals for which application is also being made under this Article, the Health Director shall not act on said application until more than fourteen (14) working days have passed since the mailing of notice to abutters. If at the end of that period the Health Director has received written comments whereby the owner(s) of a majority of the abutting properties have expressly requested so in writing, the Health Director shall schedule and hold, within thirty (30) days of the deadline for receiving abutter comment, an administrative hearing for the purpose of taking public testimony regarding the proposal. The Health Director shall give written notice of the time and place of the hearing, not less than seven (7) days prior to the hearing, to the applicant by certified mail, to abutters and parties in interest by mail, by posting with the Town Clerk, and by publication once in a newspaper of local circulation.

7 . Decision – Following the close of an administrative hearing, the Health Director shall within five (5) working days render a decision in writing based upon compliance of the proposal with best practices and such other factors of public health and welfare as the

Health Director may deem appropriate. In approving an application, the Health Director may, following consultation with the Animal Control Officer, impose any reasonable conditions, safeguards and limitations including conditions above and beyond those specified in the best practices regulations developed under this section, as well as those which may be required under existing zoning and/or other regulations.

8 . Violations – Violation of this Article may be subject to a penalty of \$25.00 for each offense, with each day the violation continues constituting a separate offense. In the alternative or in addition to the foregoing, this Article may be enforced by any means available at law or equity.

9 . Enforcement – Enforcing persons shall be the Animal Control Officer or the Health Director.

10. To the extent any of the provisions herein conflict with or are determined to conflict with state law, state law shall prevail, however the remaining provisions of this Article shall remain in full force and effect.

or act in any manner relating thereto. (Submitted by Planning Board)

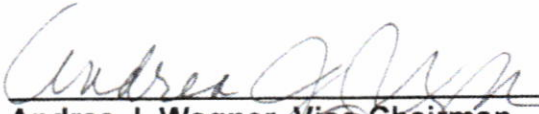

and, you are hereby directed to serve this Warrant by posting attested copies hereof fourteen days before time of said meeting as directed by the vote of the Town. Hereof fail not and make due return of this Warrant with your doings thereon at the time and place of said meeting.
