Alexander & Liliana Stathas

The Commission received an email from Mr. Neadeau of DEP regarding an above ground pool next to wetlands and possible filling of wetlands. The Commission sent a letter and requested the owners attend the meeting to discuss the issue.

Mr. Stathas presented photographs of the property and discussed the pool and fence. The pool is basically a large “kiddie pool” which required no disturbance for installation. In addition to discussion and review of the photographs, Dr. Lederer, Commission Chair, had conducted a “drive-by.” Dr. Lederer emailed the Commission secretary on September 6, 2014, wherein he observed the “kid” pool.

The Commission agreed that no violations had taken place on the property regarding the pool and fence. No filling of the wetlands was observed. The Commission will send a letter to Mr. and Mrs. Stathas stating so.
