Motion was made by Joanne Truchon and seconded by Paula Norton to accept the meeting minutes of April 1, 2013. The motion carried unanimously to accept the minutes as written.

Old Business:

Spring sign-ups are doing well.

The carnival update is Kris spoke with the carnival company, Fanelli's Traveling Amusement Park. This is the company that Holliston uses for their annual carnival. They had some questions pertaining to Millis requirements for the carnival. Kris also stated that the banner was put up over Route 109 by the Fire Department on Saturday. She noted that the dates for next year will need to be bigger in order to see it more clearly. Unfortunately, the carnival company forgot to put in the order for the posters that get put in various locations. These posters should be done by the middle of this week, and Kris asked for volunteers to distribute these posters around. She also asked for volunteers to sell tickets.

Kris also stated that to date she has a total of \$2,550 in donations for various local businesses for the fireworks display. She is considering calling a few of the businesses that typically donate for this but haven't yet.

The Kids Karaoke night on May 10th will be cancelled since there isn't a d.j. available for the evening.

New Business:

The Mother of the Year contest was discussed. The plan is to meet on Wednesday afternoon at 2:15 pm in the Recreation Department, Room 128 in the Veterans Memorial Building to read the letters that the department received and to pick the Mother of the Year and the runners up for the contest. Wednesday afternoon was picked since it is the cut-off for receiving the letters.

Other Business:

There was discussion of changing our meeting night to the second Monday of the month in order to accommodate everyone's schedules. Chairperson, Judy Malouf, also felt that it would be easier to post the meetings with the extra week. A motion was made by Joanne Truchon and seconded by Paula Norton to change our monthly meeting evening to the second Monday of each month. The motion passed unanimously.

Adjournment:

At 6:30 pm a motion was made by Joanne Truchon and seconded by Paula Norton to adjourn the meeting. The motion carried unanimously to adjourn the meeting.

The next meeting of the Recreation Committee is scheduled for September 9, 2013 in Room 128 of the Veterans Memorial Building beginning at 6:00 pm.

Respectfully Submitted:

Susan K. Vara
