Ms. Musto called the meeting to order at 7:00 p.m. in the Cronin Conference Room of the Town Hall.

Ms. Musto informed the Committee that the meeting scheduled for October 30, 2014 did not have a quorum and was therefore canceled.

Ms. Christiansen gave a presentation on the proposed 4L RNAV which included what information is currently known, a history of RNAV's and their implantation, and current data on runway arrivals at Logan Airport. Ms. Christiansen also informed the Committee of the success the Town of Brookline had with reducing/eliminating airplane traffic by taking legal action against the Federal Aviation Administration.

After discussion, Mr. Keohane moved, Ms. Christiansen seconded and the Committee voted unanimously to recommend to the Board of Selectmen at its November 12, 2014 meeting a multi-prong approach to address the proposed 4L RNAV including reaching out to State and Federal legislatures, filing an injunction against the Federal Aviation Administration, and requesting a meeting with our Federal legislatures and the Federal Aviation Administration.

Ms. Christiansen and Mr. Zambuto discussed their efforts to refine a data request that will be made to Massport regarding airplane traffic and flight paths over Milton.

After discussion, the Committee agreed to add a "Citizens Speak" item to future agendas. Fifteen minutes total, regardless of the number of residents present, will be allowed at the beginning of each meeting.

The Committee discussed the Open Meeting Law and what discussions were permissible outside of a posted meeting.

The next Airplane Noise Advisory Committee was scheduled for Wednesday, December 3, 2014 at 7:00 p.m. in the Cronin Conference Room, Town Hall.

The meeting adjourned at 9:02 p.m.

Respectfully submitted,
