

**Airplane Noise Advisory Committee (Sub-committee) Meeting**  
**April 7, 2016**

Meeting called to order at 7:05 p.m.

In Attendance: Andy Schmidt, Chair; Jenn Goonan, Co-Chair; Barbara Martin, Secretary.

This meeting was held to craft correspondence to be utilized as form letters to be sent to government officials asking for their assistance with the Town's persistent problem of air traffic as well as letters requesting follow-up to correspondence that has been sent by Town officials to Massport and FAA.

As a result of this sub-committee meeting, there are three letters being proposed for future use: one addressing public health issues; two, a general letter addressing the overall issue of airplane traffic over Milton; and the third letter would be an educational piece proposing specific solutions to the air traffic problem affecting the Town of Milton.

Also discussed was how the letters would be utilized in the presentation to the Board of Selectmen at their meeting on April 11<sup>th</sup>. In order to enhance the presentation to the Board of Selectmen, Jenn requested power point capability to illustrate the committee's presentation.

The meeting adjourned at 7:48 p.m.
