

Public Meeting Minutes for March 20, 2007
Milton Planning Board

The Milton Planning Board convened a public meeting, its fifteenth of the fiscal year, on Tuesday, March 20th at 7:00 PM, at the Council on Aging building. The only topic was the Central Avenue Revitalization Grant's proposed design.

In attendance: Alexander Whiteside, Emily Keys Innes, J. William Dolan, Edward Duffy and Planning Director William Clark.

1. PUBLIC HEARING

DPW Director Walter Heller and engineering consultants from BETA Engineering gave an updating presentation on the proposed design for the Central Avenue Revitalization Grant. Consultants gave their reasoning for the presented design and discussed the factors that lead to this latest design.

Discussion took place both pro and con, followed by a vote of the Planning Board.

Planning Board Motion:

Board approves the essence of the presented plan. The Planning Board feels, as presented, the plan needs fine-tuning (specifically the crosswalk angle needs tweaking) and a further public meeting with Selectmen and the Project's staff.

Vote 3-1(Whiteside)

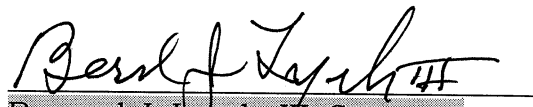

2. FUTURE MEETINGS

Next scheduled meeting of the Planning Board will be March 29th at Milton Town Hall.

3. ADJOURNMENT

The Board unanimously voted to adjourn at 9:30 p.m.

Respectfully submitted,

Bernard J. Lynch, III, Secretary
