

Minutes December 8, 1997

Members present Rick Andrus, Richard Nault, Debbie Mielke, Chris Blair, Conrad Ohman, Raymond Tryon

Chair opened the meeting at 7:05 with the reading of the Notice of Public Hearing for Peter Andersen

There is an existing 3 bedroom house within the buffer zone. They will need a silt fence, there are some wetland areas. Septic approval not received. The field may be moved nearer the house. Rick Andrus questioned the possible erosion on a 2 to 1 slope. there is a liner. CB Questioned if there was enough area to put the silt fence and still have room to do the work. The applicants felt it would be close but possible. It is a FAST system.

CO The CC only needs to be concerned with construction. there is a depression that collects water from the road.

The CC will do an O of C and hold for septic approval.

Richard Nault will review the Board of Health plan.

The Bodian hearing will be continued until the January 12 meeting at the applicants request.

Meeting adjourned 9:30
