

MOULTONBOROUGH CONSERVATION COMMISSION MEETING MINUTES OF
11/4/2013

Meeting opened at 7 PM. Members present: Marie Samaha, Chair; Bob Patenaude; Secretary; Bill Gassman, Peter Jensen
Others present: Ken Kasarjian; Community Garden Chair, Nancy Wright.

Minutes of previous meeting were read and approved as is. Motion by Peter, 2nd by Marie. Unanimously approved.

MONITORING EASEMENTS: Peter reported on the 2 parcels he visited. Found trash left from prior construction. Scott Kinmond will be notified.

MOULTONBOROUGH BAY INLET SUB-WATERSHED GRANT: Bill reported on meeting in Concord. Grant to be used as modeling program of Watershed. (State will provide Scientist to collect data). Bill also presented the funding proposal and in coordination with Plymouth State University recommended purchasing probes to be placed in critical waterways. Peter made a motion to support this approach with the Con Com to provide funds not exceeding \$5000.00 for no less than 2 probes. 2nd by Marie. Unanimously approved.

WILDLIFE ACTION PLAN: Marie presented a revised draft of original plan and asked for board members feedback. Bill presented data showing “high” road kill areas within town borders.

MPIC: No update available. Last meeting was cancelled.

MILFOIL UPDATE: Peter reported on discussion with DES and the NH Pesticides Control Board regarding rule changes. (For further info see Milfoil Comm. Minutes).

COMMUNITY GARDENS: Ken reported on the first year’s experience and what will change for next year. Has meeting scheduled for Nov 14th with current and prospective plot renters regarding recommendations and how to improve next year’s program.

PERMITS/APPLICATIONS: Marie presented data showing last month’s site visits. No discussion.

There being no further business the meeting was adjourned at 9 PM. Motion by Bob, 2nd by Marie. The next meeting will be on Monday 12/2/2013 at 7 PM in the Office of Development Services in the Town Hall.

Respectfully submitted: Bob Patenaude, Secretary
