

Moultonborough Conservation Commission Meeting Notes
Thursday, June 12, 2014, 1:00 pm
Moultonborough Town Hall

Members Present: Marie Samaha, Scott Bartlett, John Oliver, Ed Harrington, Bill Gassman

Alternate Present: Jim Nelson

Others: Bob Clark, Anna Boudreau

1. Permit By Notification for Repairs to Ice damaged Docking Structures – DES request

In an effort to expedite Permit by Notifications to fix docking structures, DES is asking local Conservation Commissions to enter into an agreement with the department that until 9/1/2014 any PBN for in-kind repairs could be immediately considered by the department without CC sign off.

The Commission did not agree to go along with this request. All PBN's will continue to be processed in the regular manner.

2. Presentation – Conservation Easements

Anna Boudreau
Land Conservation Consultant
Truslow Resource Consulting LLC
Portsmouth, NH

Anna presented information and answered questions on acquiring property or property easements for conservation purposes. The Commission agreed to further investigate conserving a parcel of land in Moultonborough.

3. Adjourn

Meeting adjourned at 3:30.
