Chair Cristina Ashjian called the meeting to order at 5:35 PM, welcoming Town Planner Bruce Woodruff and Heritage Commission members. The Minutes of October 17th were approved.

The Commission received updates on various activities. Cristina again reminded HC members that the deadline for RSA 79-D applications (barn easements) is April 15th; and that the HC would address the RSA 79-E (village revitalization easement) matter early in 2012, as the annual application deadline is also mid-April. Planner Bruce Woodruff noted that the task of the short-term Planning Board Roads Subcommittee is now completed (final meeting November 15th).

The Commission then reviewed ongoing projects. Cristina will keep the HC informed as more information becomes available about the Project Archaeology field school to be held at the Roxmont site in June 2012. At Norman Larson's request, the Commission briefly discussed the NHPA Seven to Save program. The draft Demolition Review Ordinance provided by Planner Bruce Woodruff was discussed, and it was agreed to hold it until the 2013 warrant cycle.

The next HC meeting will be at 5:30 PM on Monday, December 19th. Cristina reminded HC members about upcoming 'Christmas at the Castle' weekends (11/25-11/27; 12/2-12/4).
