October 10th 2013

Attendance: Paul Punturieri, Kathy Garry, Bob Patenaude, Bruce Woodruff
Excused: Tom Sawyer, Chris Shipp, Cristina Ashjian
Public: Joanne Farnham, Hollis Austin.

Meeting was called to order at 5:00pm.

Bruce Woodruff told the committee that he had spoken with the Town Administrator and the Selectmen about Joanne Farnham's request to volunteer for the open at-large position on the committee. He was assured the Board would take the appointment request up at their next meeting.

Hard copies of the previous meeting were not available for review and will be reviewed at the next meeting.

The committee reviewed the updated 2008 Master Plan Goals and Objectives matrix (attached) with changes adopted at the last meeting for final review. With only two minor corrections, the final matrix will be emailed to Bruce for distribution to the BoS and the Planning Board.

The committee discussed next steps. The Planning Board will hold a work session on October 30th specifically to address the new Master Plan process. The committee agreed that they would like to continue to work on the 2008 goals and participate in the new Master Plan development by identifying goals and objectives still relevant in the chapters that will be written.

The committee agree to meet monthly at 5:30pm the same day as the Conservation Committee meets. The next meeting will be held on November 4th at 5:30 pm.

Meeting adjourned at 5:30pm.
