Selectmen's Workshop

August 27, 2009

MINUTES

Present: Selectmen: Karel Crawford, Joel R. Mudgett, James F. Gray; Carter Terenzini, Town Administrator
Absent: Edward J. Charest, Betsey L. Patten (w/prior notification)

The Chair called the meeting to order at 4:02 p.m. and proceeded to open sealed bids on balers for recyclable materials at the Transfer Station as follows:

Firm	Per Unit	Option/2nd Quote
Recycling Mechanical of NE	\$12,263.00	N/A
Leavitt & Boucher	\$11,943.50	
Leavitt & Boucher	----	\$13,442.50
Atlantic Recycling Equip	\$10,335.00	
Atlantic Recycling Equip	----	\$10,957.00
Alexander Industrial Tech.	\$10,660.00	N/A

The bids were taken under advisement and will be reviewed by staff for conformance with the specifications. A report can hopefully be made for the Selectmen's meeting of 09/03/09.

The Administrator reports that with two Board members not able to join us that the other business of the day was best thought to be put off, but remained important to begin the budget process. As the two presenters were both not available for the next workshop, he asked that the 09/10 and 09/24 meetings both be workshops (4 p.m.).

There being no further business, the Chair adjourned the meeting at 4:08 p.m.

Respectfully Submitted,

Approved: September 3, 2009

Carter Terenzini, Town Administrator

Karel A. Crawford, Vice Chairman
