Chairperson Beadle called the meeting to order at 8:30 A.M. in the SAU auditorium vestibule.

This meeting was scheduled to discuss and vote on the financing and approval of a purchase for a new fire rescue vehicle. This issue was a last minute adjustment to the preprinted Town Warrant. Fire Rescue 1 failed inspection days prior to the March 17 Annual Town meeting. The committee voted unanimously to support the amended warrant and proposed financing of a new Fire Rescue vehicle.

The meeting was adjourned at 8:50 A.M.

Respectively submitted,

Jean Beadle,
