Chairperson Beadle called the meeting to order at 8:10 AM in the Town Hall meeting room.

The first item was the review of the final Library report. Jean will add the usual qualifier that not all ABC members agree 100% with everything in the report and then send the report to the Library Trustees.

The School report was again reviewed with emphasis on the sections dealing with Curriculum and Co-curricular activities. After an animated discussion it was agreed to make some minor changes before Jean sends it to the School Administration and Board.

The Town report was agreed upon after some additions to the sections covering Reserves and Merit Pay.

An ABC meeting with the School Board will be at the regular Board meeting on Tuesday January 14. The ABC meeting with the BoS has been rescheduled to 8:30 AM Friday January 17.

The meeting was adjourned at 10:20 AM following a motion made by Alan which was seconded by Chris and approved unanimously.

Respectfully submitted,

Alan Ballard
