The site walk began at 6:30 PM. The Planning Board members met with Mr. Davis and reviewed the proposed area to be filled. The owner is proposing filling approximately 60,000 sq. ft. located in the commercial zone.

The Board inquired of the extent of the area to be filled in relation with the wetlands to the rear of the site and questioned trees to be removed and trees to remain. For clarification the trees were pointed out, generally, to the members present.

The site walk ended at 6:50 PM, and there were no decisions made.

Respectfully Submitted,
Bonnie L. Whitney
