I. Pledge of Allegiance

Chairman Bartlett opened the regular meeting at 6:00 PM and led the Pledge of Allegiance.

II. Other Business/Correspondence

- The draft land use chapter of the master plan was presented and reviewed by the members.

The Chair stated this would be a work session where the Board would review the draft master plan chapter language prepared by the Planner. The Planner noted that the Village Vision report recommended the goals, objectives and specific tasks and the Village Vision survey results indicate that a majority of the respondents were in favor of them. The Board reviewed the previously completed Vision Chapter only for the purposes of making sure that the land use chapter was in line with the vision laid out in that document.

- Discussion on the lay out of the chapter:
 - Board members felt that the language and contents were good, but felt that the layout needed more work to make it flow in a logical way. They worked up a common sense approach to re-ordering the document, including the Vision, Introduction, and body of the land use chapter on the white board as follows:
 - A. Introduction
 - B. Vision
 - C. Land Use
 - 1. Future Goals & Recommendations (from p.3-38)
 - 2. Section Break p.30
 - 3. Analysis & Discussion
 - a. Summarized Data
 - b. References
 - 4. Implementation Strategy
- Next Steps

Members expressed a desire to hold another workshop on the master plan sooner than later and chose Tuesday, March 15th at 6PM as the next meeting date. The Planner indicated that he would make all the changes noted and also asked the Chair for some assistance with the closing sections after p. 30. The Chair acquiesced to this.

IX. Adjournment: Mr. Quinlan made the motion to adjourn at 7:35 PM, Seconded by Mr. Wakefield, carried unanimously.

Respectfully Submitted,
Bruce W Woodruff
Town Planner
