Community Input-

Discussion points included:

Joanne said she has taken flack about lack of posting the meeting minutes. She wanted to bring it to the attention of the board that the job of secretary has not been done. After some discussion, Becky assured Joanne we would get those minutes posted. Jane said she believed we need to post them in two places to meet RSA. Carla said she would continue to get the minutes posted for Barbara to view.

Karin started discussion on the Block Party. Asked about the transportation advertised: Donna said they really never had budget for it so when they discovered there was enough parking at the Lions Club(due to the steamboat rally) they decided to eliminate it.

Overall was a great success and well visited by over 500.

Directors Report-

Discussion points included:

Out of 145 soccer participants 60 did not attend one of the mandatory parent meetings. Donna was concerned that they couldn't accommodate 60 individual presentations. The board suggested addressing these parents/players with a letter not allowing participation in another sport until they attend meeting. Donna will type letter to address this and get it out.

Donna said that soccer got off a little rocky with parent complaints. After discussion, the Rec staff will have Grievance forms available at the soccer field for these issues that arise. It was agreed that it is hard to know what changes someone wants to be made with out putting in writing.

Up coming Senior Events were discussed:
Jane suggested input from committee members be considered.
