

RSPT Minutes

1/14/2008

Present: Tom, Donna, Larry, Freddi, Hilary, John, Kim & Nancy

Call to order 6:15PM

Minutes of last minute were approved with correction by Donna.

Amy will rejoin the team.

The previous selectmen's meeting was discussed as concern was expressed that the team was not able to express their position before the selectmen gave their personal position.

Extensive discussion focused on what we want to accomplish as we move to town meeting in March.

Various articles will be drafted, petitions prepared and educational efforts launched in the days and weeks to come. The marketing team will become the educational team. Expert speakers will be established for various subjects. An account will be established for contributions and other funds for the RSPT strategy implementation.

Joanne has completed the septic plan and Ames is now reviewing. The plan fits beautifully behind the parking lot. Great job Joanne!

Next meeting is 1/21 at 6PM

Meeting adjourned at 8:15

Respectively Submitted

Substitute Scribe, John McRae
