November 16, 2013

Minutes

9am Site visit at 970 Whittier Highway

Present: Mark Borrin (Chair), Robert Goffredo, Tim Woods, Paul Punturieri, Allen Hoch, Joanne Farnham (Alternate), Town Planner Bruce Woodruff

Public: Nancy Wright, Joel Mudgett, Jim Leiterman, Linda Punturieri, Cristina Ashjian

The meeting was called to order by the chair at 9am.

Mark Borrin advised the public and the committee that the property trustee expressly desired that only committee members be allowed inside the buildings, and that it not be videotaped. This was out of the control of the committee or the town. The public was welcome to participate and tape the exterior and grounds.

At this time the committee members toured the complete interior of the house and adjoining structures. The stand alone shed/barn was locked and not entered.

The committee then toured the grounds of the property from corner to corner and they were able to visualize the property boundaries and landscape.

The committee and public then gathered at the side of the property. Mark Borrin asked the members and the public if they have any ideas on uses for the property to bring them to the committee meetings. The site visit was then adjourned at 09:55am and no decisions were taken.

Respectfully submitted,
Paul Punturieri, Clerk
