Training:

Needs seem to be two fold

How do you take care of yourself as a first responder in a suicide situation?

And How to take care of the family ie. on what to do and say?

Training Of MPD before Scott leaves office.

We would like to coordinate the training with the Fire Department, /EMS , perhaps
it can be at the once a month staff meeting.

There may be a potential in Granite State Critical Incident Response Team,
Perhaps utilize Dave Rivers 911 State coordinator
Mark offered to facilitate locating a first responder who has done some 'peer to
peer' work

Peter will speak with Scott and David.

Perhaps out reach to other area departments as well depending on the conversation
