## **Town Meeting. :**

We will contribute to the 'goodie bag' for Town Meeting. Apparently the folks at the  
Town liked our idea so much they decided to use it ☺

We will contribute, the 'Recognize and Connect' as we as the information card (blue)  
(400 copies),

Peter will prepare the two -sided hand out.

## **Supplies:**

We will need to reimburse NAMI for the survivors packets that Todd picked up  
recently. Scott should receive the invoice soon

## **MH Services**

Review of the services rendered by NHS as it relates to our agreement with them.  
There was a more detailed look at the demographics of those being served, insured  
and uninsured. We indicated that we would review the formula after three years.  
Since three years have passed we will be reviewing this in more detail in the near  
future.

**REAP** program has had a few referrals from the VNA office.
