

Moultonborough Coalition for Suicide Prevention and Mental Health

6/8/11

Peter Whelley, Frances Strayer, Kim Mohan, Tom Dawson, Scott Kidman, Jerry L Vasil, (Huggins Hospital), Todd Ringlestein.

Update on Northern Human Services:

Since budget has not been finalized the future is still unknown about the impact on the availability of service, therapists, and hospital beds (mental health).

We are approximating an average of about 900 dollars per month to maintain access to mental health services. Scott will give a balance so we will know what we can afford to do this fall as well as what to anticipate for 2012

New Member:

It was great to have the addition of Jerry Vasil to our coalition. We now have representation from Huggins and the knowledge of Jerry's experience in Social Service from a hospital /community service perspective. Welcome Jerry!

Fall Proposals/Possibilities:

For example Workshops /Training
