Board of Fire Wards

Fire Wards present at the meeting were- Wayne Blassberg, Scott Hunter, Dale Smith and Dan Teague

Item 1. It was agreed that the Board would meet with Roger Dignard in regard to a design for the proposed new fire station.

Roundtable

Wayne Blassberg – Wayne did research regarding the lot line for the Daniels property. A lot line adjustment showed that the Daniels property does include the fence that borders the fire station along Mill St.

Chief MacDonald – Chief MacDonald (per phone conversation) noted that he will be conducting the 6 month review for the current fire inspector in the end of June.

Josh and Rachael have completed their education for paramedic .

Chief Macdonald also has discussed the possibility of having the parcel of land behind the fire station turned into a parking area. The road agent doesn't see a problem with the project.

Scott Hunter noted his concern if Selectmen or town administrator were aware of the project.

Dale Smith – At the beginning of the meeting when minutes were read from the June 8 meeting, it was stated that there would be no vote on the minutes because there wasn't a quorum present that were at the previous meeting. Dale noted that according to "Roberts rules" there can be a vote. It was decided to discuss this further when the entire Board is present.
