

SELECTMEN'S MEETING

February 19, 1976

Present were George Hawkins, Roland Sallada, Thomas Mansfield and Betty Hooper.

Everett Dicey, Robert Foote, and Roy and Jean Lowell, representing the Playground Asso., informed the Selectmen that this year, due to so many Towns having special celebrations for the Bi-centennial, the committee has decided to hold the New Boston functions on July 10. They are planning to hold a Fireman's Muster as part of the program.

In anticipation of repairs to the Town Hall, the Selectmen inspected the cellar, attic and the entire building so as to have first-hand information for what is needed.

Harold Strong, auditor, came in to consult with the Selectmen regarding the Treasurer's Report for 1975.

The Selectmen reviewed the assessment card on the John and Irene Goodenough property. An abatement is in order.
