

SLEECTMEN'S MEETING

June 10, 1976

Present were Thomas Mansfield, and Betty Hooper.

Mrs. Zieske came in for the Selectmen's decision on the placing of her advertising sign. Tom told her that the Selectmen voted to deny her request, as they interpreted the reading of the Ordinance. However, she was informed that the Selectmen plan to make an amendment to the Ordinance at next Town Meeting.

The scheduled trailer hearing at the request of Walter Tirrell was opened at 8:05 with only Mr. Tirrell present. He voted in favor of the 2 trailers. He described his plans to change the size of some of his trailerslots, as he is conducting a new survey of his property.

Mabel Hodge, town clerk, brought in delinquent dog tax list which the Selectmen are required to turn over to the Police Chief for collection.

Beverly Marietta, accompanied by Robert Gaither, came in to review her assessment card. Tom covered the card item by item and found adjustments will have to be made.

Almus Chancey came in with bills for payment.
