

SELECTMEN'S MEETING

April 7, 1977

President Woolson, Mr. Flannery and Mr. Rizzi from the Souhegan National Bank met with the Selectmen at 7:00pm to discuss the assessment on the new bank building. The final figure was agreed upon by all concerned.

Edward Colburn filed a Timber Tax Intent to cut. He also submitted a bid to paint the Town Hall kitchen (Art. #14).

The Selectmen met with Attorney Stephen Spielman in regard to the dispute over the fence erected by Leon Daniels abutting the new Fire House land. It was decided a meeting with Mr. Daniels should be scheduled. A letter followed suggesting a meeting on April 11 at 8:30 pm. (He replied by letter that this date was not convenient for him and he would notify him the Selectmen when the proper time arises.)

Three Selectmen and Betty Hooper were present.
