

SELECTMEN'S MEETING

May 26, 1977

Present were Thomas Mansfield, Oliver Andrews and Betty Hooper.

Loretta Caterino applied for a building permit and a drive-way permit to construct a kindergarten building on her property. There was discussion on whether there would be the need of sub-dividing the property for this purpose. The question on the ownership of Bailey Pond road. Almus Chancey said it was owned and maintained by the Town.

Russel Dicey came in to inquire on the rules and regulations of sub-division. He was advised to check with the Planning Board members.

Royce Blackburn, president of the Burnham Fuel Corp., telephoned to express the desire for the opportunity to bid on the oil contract for the town buildings.
