

SELECTMEN'S MEETING

January 5, 1978

Present were Thomas Mansfield, Oliver Andrews, Roland Gallada and Betty Hooper.

Mrs. Higbie came in for advise on replacing the septic system for her home.

August Gomes, Sr. came in to discuss the final steps on the Town Office and Fire Station addition and Town Hall septic system.

Mrs. McGann came in for advise on opening a gift shop in her home. She was advised to fill in a building permit showing changing use of her home to commercial. That was all that was necessary.

Mr. & Mrs. Frank Crawford came in to discuss an extension of Laurel Lane to accomodate the new homes being built there. The entire citizens interested did not show up, so they will be back next week to file a petition that the town accept the extension.

Fire Chief, Ken Barsas, came in with final bills, etc. to close the year. He also discussed with the Selectmen about a surplus building suitable for use at the dump for shelter for the dump custodian. The fire wards will meet Monday night and report back on price.

A letter was written to Roy Follansbee regarding his illegal blocking a road subject to gates and bars.
