

SELECTMEN'S MEETING

February 2, 1978

Kenneth Marvell, Sr. came in ^{to} express concern on the request of the new owner of the Roger Nekton property to have the town accept and re-open the road which has been closed subject to gates-and-bars and further maintain it.

Dennis Hooper came in to inquire about coverage of liability insurance for the drivers of the fire department vehicles.

Dr. Brooks brought information regarding Federal assistance on rent for low income families. This will not occur for at least 2 years. A suggested article for the warrant will be written

Kathy Philibotte reported that Mr. Crane the auctioneer did not install a chemical toilet for his auction which is required. The Selectmen will look into the matter.

Arthur Johnston came in to object to his high assessment. He won an abatement.

A building permit was approved for Alfred Gauthier.
