

SELECTMEN'S MEETING

March 9, 1978

Present were Thomas Mansfield, Ol ver Andrews, Roland Sallada and Dotty Hooper.

The Selectmen met with Atty. Solms regarding the Daniel Zwillinger appeal for abatement. Roland explained the Selectmen's method of assessment and reviewed our abatements issued to Mr. Zwillinger.

Mr. Solms felt the Selectmen should use the State Assessment figure agreed upon during the 1976 appeal. The Selectmen said they had done this, but had added additions and improvements made by Mr. Zwillinger in 1977.

Mr. Solms will submit an abatement appeal for his client.

Matt Rockwell came in to question the assessment on his land on the commercial figure. The method was explained to his satisfaction. He brought a sketch of his plans to enlarge his machine shop. He will submit a building permit.
