

SELECTMEN'S MEETING

June 12, 1980

Present were Thomas Mansfield, Merrill Todd, Roy Lowell and Betty Hooper.

~~The~~ Selectmen Todd and Lowell attended the Hearing at the Dept. of Revenue in Concord regarding the appeal from Lorden Lumber, Inc.

Mr. & Mrs. Frank Severance applied for a building permit. They are now living in a travel trailer on the property. Sel. Mansfield explained the town Ordinance specifies only one dwelling is allowed per lot. Ultimately, the Selectmen agreed to allow the family to occupy the trailer until the house is finished but insisted on a written guarantee that the trailer will be removed at the time that the house is finished. Permit approved.

Building permits were approved for Thomas Speck and Stewart Elliott.
