

SELECTMEN'S MEETING

October 9, 1980

Present were Sel. Thomas Mansfield, Sel. Leroy Lowell and Sec. Betty Hooper.

Tony Rice came in to check with the Selectmen on whether they had conferred with Town Counsel in regard to his property lines. They had met with Atty. Nixon on Tuesday.

Roger Follansbee came in to complain that his eldest daughter has left her foster home and has moved to her grandmother's home, Alice Follansbee. He feels our payments for her support should be discontinued to Mr. & Mrs. Bushby. He is willing to pay his portion to his mother. The Selectmen promised to check with the District Court.

The Selectmen met with the Town Hall Committee. The Committee would like to meet with the Town Hall Custodian on October 23. They are dissatisfied with conditions. They mentioned safety features which they would like to see corrected by such as the door ~~of~~ the boiler, hand rails at the entrance of the town hall and the light at the entrance of the town hall. There was also discussion about keys being lent by those who are issued keys to unauthorized persons.

Building permits were issued to Franklin Fillmore and William Doll.

IT IS WITH GREAT SORROW WE REPORT THE UNTIMELY PASSING OF OUR JUNIOR SELECTMAN, LEROY LOWELL, ON OCTOBER 10, 1980.
