

SELECTMEN'S MEETING

June 25, 1981

Three Selectmen and secretary present.

The Selectmen met with a representative from the SNHPC at 7:00 pm.

Mr. Louis Lanzillotti ~~was~~ came in at the request of the Selectmen to discuss the Roger W. Babson Care of Memorial fund, which is in the hands of the Trustees of Trust Funds. Beulah Hayes seems to think that the fund was given to Reginald Hayes as an individual, to care for the Common, rather than to Mr. Hayes, member of the Trust Funds. Mr. Lanzillotti explained that being as it is declared in their Annual Report, he feels certain that it is part of the Trust Funds. He will check further.

Milton Elliott came in to pick up a Yield Tax Form. He explained he plans to operate a saw mill and is looking for lots to lumber off. He inquired about the Follansbee lot which the town will put up for bid.

Peter Herbert came in to try to correct our records regarding his subdivisions and other properties.

The following permits were approved:

Pistol permits: John Bunting and Thomas Foster, Jr.

Building permits: Robert Fehsinger and Paul Gagnon

Driveway permits: 2 for William Sears (Albert LaMarche)
