

SELECTMEN'S MEETING

Feb. 23, 1987

Present were Selectmen Olson and Dodge and secretary.

At 8:00 David Wilson and Alex Noftsger came in to ask if the status of Old coach Rd. was determined. ~~The Selectmen~~ This road, which is located behind the Joe Daniels Homestead and off of Laurel Lane , will probably be declared as an abandoned road. The Selectmen will ponder the matter and will notify Mr. Wilson by letter of their decision.

Road Agent, Almus Chancey, brought in several driveway permits. He will meet with John Brown regarding the cutting of trees along Joe English road, McCurdy road and Old coach Rd. hoping he can get a commitment for the work to be done in the month of May.

Betsy Moore dropped in at 9:00 to offer any assistance as State Representative at Town Meeting.

Harold Strong, chairman of Planning Board, came in to discuss the driveway permit for a road entrance to the Messina subdivision. The Selectmen signed the permit. Mr. Strong then asked permission to hire Bart Mayer to handle Municipal problems. The Selectmen were in agreement but suggested he talk with Atty. David Nixon as a courtesy gesture to see if he would mind.

Mr. Strong presented a form to attend a seminar <sup>of</sup> Soils and Community Planning Course. The Selectmen recommended that a member of the Planning Board and/or Conservation Commission attend.

The Selectmen reviewed a road study report of Todd's Corner Properties subdivision located on N. H . Route 136 and Middle Branch Road. Also Mr. Strong showed a map of a road proposal of the Scobie Pond Development asking for the road to be 20 feet wide versus 22 feet wide. This matter will be discussed.

TOWN REPORTS WERE MAILED ON FEBRUARY 24, 1987.
