

SELECTMEN'S MEETING

March 9, 1987

Present were Selectmen Mansfield, Olson, Dodge and secretary.

The Meeting was called to order by Chairman Mansfield at 7:45. The minutes of the last meeting were read and accepted as written. The Selectmen reviewed and approved to pay current bills.

At 8:00, the Selectmen met with Herbert Scott. He reported John Bunton has only paid part of the amount due the paving work on his subdivision road located on Lull Road. Mr. Bunton advised the paving company to collect the balance from Mr. Scott who is not responsible in any way. Mr. Scott hoped the Selectmen had some leverage to force Mr. Bunton to pay the balance due. Sel. Dodge admitted that they have no way to apply pressure since the road is up to specification as requested. The Selectmen can, though, hold up the sale of lots until the cistern is in place.

The Selectmen met with Library Trustees at 9:00. Present were Sarah Chapman and Paul Stanger. Finance Committee chairman, Edward Colburn, was also present. The Trustees wished to review the Town Budget. The Finance Committee had recommended the Library appropriation be reduced by 5%. The Trustees plan to ask for the entire amount before reduction. Mr. Stanger suggested that the Selectmen set up regular meetings with the different departments to keep abreast of all problems, etc.

The Selectmen reviewed the road proposed in the Robert Todd subdivision in an effort to determine whether or not to ask that the road be paved. Sel. Mansfield moved to require that the road in question, located on Middle Branch Road, be tarred. The motion was seconded and passed. The Selectmen expressed concern of the interface of the new proposed road around the old homestead with Colburn Road.

The Selectmen next reviewed the proposed road of the subdivision of Country Views Home Inc. on Scobie Pond Road. The Selectmen will require that it meet with the town road specifications. The motion was moved and voted unanimously .
