

SELECTMEN'S MEETING

November 16, 1987

7:20 Leon Gehl, consulting engineer was in to meet with the Selectmen to review the plans for the transfer station. Selectmen agreed to have a representative from Leon Gehl's office to inspect the transfer station daily.

Lee Murray, Road Agent was in to go over weekly business.

10:15 James Smith from Clark Hill Road was in to see if the Selectmen had approved Richard Messina's 10,000 yard gravel permit. Selectmen informed Mr. Smith that there were conditions to be reviewed with Mr. Messina. Selectmen will review these condition when Mr. Messina calls for an appointment.

10:30 Louis Maynard came in to discuss selective cutting on his property that is under discretionary easement. Selectmen reviewed application and thought that it would be a good time to do some cutting.

Selectmen signed weekly checks and discuss weekly business.

Meeting adjourned 1AM

Respectfully submitted
