

Selectmen's Meeting of January 23, 1989

Present were Selectman Dodge, Olson and Mansfield.

Road Committee, Dick Moody, James Whipple, and George St. John along with Road Agent Lee Murray to discuss roads in New Boston to be worked on. Lee suggested to finish Joe English Road and to hire the work outside of the highway department. He would like to finish some of the roads that have been started before starting any new one. On Briar Hill, Houghton Land and Highland Road use pugmill instead of hot top. He would like to finish Old Coach from the landfill out to the end of road approximately 1.2 miles. On Tucker Mill Road (five-5 corners) the money would come out of summer maintenance.

Dan Way dropped off a proposal agreement for the Town to review for upgrading McCurdy Road in front of his property.

Selectmen voted unanimously to contract with Sizemore Rubbish Removal for hauling New Boston's trash to Bethlehem.

Selectmen reviewed weekly mail and signed weekly checks.
