

MINUTES OF THE SELECTMEN'S MEETING - July 27, 1992

Once again the Board did not have a regularly scheduled meeting due to the summer schedule; however, all were present to interview applicants for a position open in the Highway Department. In total three candidates were interviewed, and John Riendeau, a resident of New Boston was hired. He was scheduled to begin his new job on August 3, 1992.

Checks were signed and pertinent mail was reviewed.

Respectfully submitted,

Sandra Gendron,
Administrative Assistant
