March 6, 1995

A regular meeting of the Board of Selectmen was called to order at 7:00 p.m. by Chairman Pimenta.

- PRESENT: Michael S. Pimenta, Chairman
- Darlene M. Goodin, Selectman

The Francestown Board of Selectmen, two representatives from the Francestown Solid Waste Committee, and Michael Richards came before the Board to discuss the 1995 New Boston Hazardous Waste Day. The New Boston Board of Selectmen agreed to allow Francestown to participate in the 1995 New Boston Hazardous Waste Day. Francestown agreed to try to send over a police officer to help New Boston monitor traffic flow at the event. Both groups will do a great deal of traffic flow planning to ease traffic congestion at the event. The hope of the Board was that by allowing Francestown to participate with New Boston for a second consecutive year, Francestown would be able to gather the necessary statistical and logistical data necessary to coordinate a program of its own for 1996.

Fire Chief Jim Dodge came before the Board to discuss building department issues. The Board asked Town Administrator Selig to have the Building Inspector come before the Board to discuss building department issues on March 13, 1995.

The Board approved Selectmen's minutes from: February 6, 1995 Non-public Session; February 13, 1995 Selectmen's Meeting; February 20, 1995 Selectmen's Meeting/Public Hearing on Blind Exemption; February 27, 1995 Selectmen's Meeting; February 27, 1995 Non-public Session.

The Board deliberated on whether or not each member should serve as an ex officio member of the Planning Board for four month or for one year terms. It was decided to postpone action on this issue until after Town Meeting.
