

Selectmen's Meeting Minutes

August 30, 1999

A specially scheduled meeting of the Board of Selectmen was called to order by Chairperson Susan Clay at 7 PM.

PRESENT

Susan Clay-Chairperson
Lois Briere-Selectman
Gordon Carlstrom-Selectman
Burton Reynolds-Town Administrator

SITE WALK

The Board went to a site off Rt 13 across from Highland Road to view property owned by Peter Herbert (Map 14 Lot 12). Most of this land is wetland. Once members from Conservation take a look, a decision will be made on whether the Town wishes to accept the offer to own this lot.

PUBLIC HEARING

This was held to see if anyone objected to signing a legal document which would convey the old Clark Hill Road roadway back to the abutters now that the new road has been built in a new location. One of the abutters, Mr. Lee, wanted to sell his property and the Title Co. would not approve the sale without this transfer taking place. Other than Mr. Lee, the new owners, and the Realtor, no other members of the public were in attendance. The other abutters had signed waivers saying they had no objections and were also willing to sign the transfer papers. Given that there were no objections, the Board signed the Title transfer paperwork.

FIRE WARDS

This session was held with Town Counsel on a personnel matter and as such is not by definition a "public meeting".
