

NEW CASTLE CONSERVATION COMMISSION  
AGENDA

October 2, 2018 5:00 PM  
(Macomber Room)

**Approve minutes from last meeting**

**Work Session / Applications:**

27 Colonial Lane, Steven and Patricia Wilson  
Addition of outside stairway within 50ft buffer of Class B wetland

**New Business**

**Kirsten Howard from the New Hampshire Coastal Program**

Reviewing an on line program called Coastal Viewer. Coastal Viewer is a mapping tool that brings data from a variety of sources together so a user can search maps pertaining to coastal hazards, reducing risks, how a specific property will fare as the seas rise, conservation land etc. We will be focusing on the maps of New Castle.

**Unfinished Business**

- Non Public Session RSA 91-A.3 (L) Consideration of legal advice.

**Announcements**

**Adjourn**
