Present: Jim Cerny, Terri Golter, Carol White

1. The October minutes were approved.

2.1 – Current Budget – Discussed Mike Petlick's fall billing. There are again some problems with double billing. We looked over remaining money in this year's budget.

3.1 – Margaret Harrington was buried in Riverside by her family.

4.1 – Jim gave us a current copy of New Castle related deaths and burials for the past year.

4.2 – Wetlands status of Oceanside Cemetery Phase II – Jim will speak to the Conservation commission about the possible wetlands area in the Oceanside Cemetery to see what their determination is about possible future use of this area.

4.3 - We spent the last half hour revising the Cemetery Rules and Regulations which we hope to finish soon.

5.1 – We went over the To Do list.

Frost Cemetery sign – We are still waiting to hear from Historic New England about the next step for the historic sign.
