<u>Discussion – Preparation for Town Meeting</u>

The Committee members discussed what role, if any, the CIP should have during the upcoming Town Meeting in May. Following a brief discussion, it was agreed that Jeff Hughes, as Chairman, should speak on behalf of CIP in support of the funding for the V&E Fund, and creation and funding of the Road Fund. Mr. Hughes encouraged all other members to add comments during the Town Meeting as well.

Other Business

<u>Price Increase – Dump Truck</u>

Mr. Tabbutt reported the anticipated cost of purchasing a Town Dump Truck next year (2016-2017) is higher than budgeted and thus higher than the amount formally recommended to the Select Board last month. The confirmed cost will be approximately \$99,372, versus the budgeted cost in the V&E Fund of \$82,750. The cost difference will be \$16,622 higher than the budgeted amount.

Committee members discussed the implications of this change, and agreed to the following:

FINAL

- Mr. Hughes will develop, and send to the Select Board a memo informing them of the change in the anticipated cost.
- In light of the current balance of the V&E Fund, the Committee agreed there was not a need adjust the recommended funding level of the V&E Fund for the 2016-2017 budget as a result of this change.
- Mr. McDonald was asked to update the V&E Fund with this new information which will be incorporated into the V&E Fund discussions during next year's budget cycle.

Appointment of Mr. McDonald

Ken McDonald was formally appointed as a member of CIP. The Members welcomed Ken to the CIP and thanked him for his many contributions.

There was no other business to come before the Committee.

Public Comments

There were no public comments.

Next Meeting

The Committee members agreed to cancel next month's meeting, and to reconvene the Committee in the Fall.

Adjournment

The meeting adjourned at approximately 4:40 pm.
