

**NEW DURHAM BOARD OF SELECTMEN
NON-PUBLIC MEETING MINUTES
June 28, 2010**

Began at 10:37 PM **Motion** to enter 3-0

Members Present: Fred March (FM), Terry Jarvis (TJ), David Bickford (DB),
Also Present: Alison Rendinaro (AR), Arthur Capello (AC)

Under **RSA 91-A: 3, II (e) & (c)**

Peter Dudley has started posting “for sale,” which is in violation of his court order. He had advertised “for pick up” on Craig’s List before the letter from counsel had gone out. The court order said explicitly that he cannot sell from his house “for pick up.”

Attorney Richardson feels a letter of violation by certified mail is sufficient, and has begun drafting one. Arthur Capello will drive by the residence and compare to his recent pictures to see if there is further incompliance.

Motion made to direct counsel (Justin Richardson) to send a letter notifying Peter Dudley that he is in violation of the court order. Motion retracted.

Arthur Capello will write the letter, indicating a short turnaround time for a response.
Arthur Capello then left the room.

Discussion of personnel matter began regarding David Allen, Land Use Administrative Assistant. The board looked up the job description of his position in the 2008 Wage and Classification Study. Brief discussion of job performance, description, and duties ensued.

Motion to come out of Nonpublic- Jarvis/March 3-0
