**NEW DURHAM BOARD OF SELECTMEN  
NON-PUBLIC MEETING I MINUTES  
July 8, 2010 Work session**

**Motion to enter into Non-Public Session under RSA 91-A: 3, II (c) - Jarvis/Bickford 2-0**

Carole Ingham, Town Clerk/Tax Collector, brought to the attention of the Selectmen the issue of the taxes of a deceased citizen whose widow has contacted the town about the status of her remaining outstanding taxes. She owes property taxes from 2005 and forward. Liens from 2006 equal \$9420. \$16,510 was due to the town as of yesterday. Tax Collector Ingham just wanted to let the Selectmen know that this woman is in debt, and should this issue come before the board before Carole is back from vacation, she wanted them to be aware. The expense of the funeral services has also been sent to the town by the Funeral Home, although the family has not yet requested assistance. Eventually the Board or a representative of the Board should meet with her to figure out a plan.

Chair Jarvis proposed that if she does not come to us by August 1<sup>st</sup>, we should contact her. Selectman Bickford explained that we have made quite a few arrangements for her in the past.

**Motion to enter back into public session at 7:15  
Jarvis/Bickford 2-0**

*Respectfully Submitted,
