Evaluation of a Department Head

The Board of Selectmen reviewed the evaluation of a Department Head, which was prepared by the former town administrator and commented on by the Board of Selectmen that was in office in February of 2010. The meeting was held under RSA 91 A: 3 II (c), should the evaluation of the Department Head include details which might adversely affect the reputation of other individuals. The Board and Department Head discussed the evaluation that was written prior to March of 2010, as well as more recent items. The Department Head provided the Board with insight into issues relating to the evaluation and new information that the Board had not been privy too. The Department Head will respond to the evaluation.

**Motion to come out of Non Public Session at 11:01PM**
