Boodey House Committee August 1, 2013 Meeting Minutes

Present: Crissa Evans, Sherry Cullimore, Cathy Orlowicz

The meeting started at 7pm. Minutes were presented for the May 30th and June 27th meetings. Both were approved with Crissa moving the motion to accept and Cathy seconding the motion. The minutes of both meetings were immediately added to the town clipboard. It should be noted that this meeting was rescheduled from the July 25th date due to lack of quorum.

Our balance is now \$5530.57. Kelly Chase said Bingo is a go for the fall. She has not made up the schedule as of yet.

Cathy has been working on an article to go into the paper with a little history on the Boodey house. She will send it to Rod Dougherty at Foster's Daily Democrat.

We have been invited to a forum on "Preservation of the Past Ensures its Future" Thursday, August 8, 2013, at the Library. This is to update the Master Plan and is hosted by the New Durham Historical Society, the Boodey House Committee and the Meetinghouse Committee. Light refreshments will be served.

Cathy received a letter from a Boodey family member, Gail McCarter. She and her family are interested in the Boodey House restoration. She will be invited to the September 20th meeting of this committee. Cathy will extend the invitation.

The 'Flute Salad' Concert is on August 11, 2013. Cathy will bring her camera, cookies, cash box, cooler, ice, and small cups and napkins. Sherry will bring a trashcan, cookies, and a bouquet of tansy, spray cleanser, and cookie trays. Crissa will bring a sign in book, tablecloths, and pitchers. We should plan to be there at noon to set up. Crissa has sent a list of the music to be played to Pastor Nason for his approval; the music will be classical.

Crissa emailed David Crowe of the Free Will Baptist Church Mission. There will be about 56 people arriving on their September trip. The meeting will be held at the church on Depot Road for the presentation. We looked at our old brochure; the information was good so we will print up 50 more to hand out at the August 11 concert and at the meeting on Sept. 2. We will also make up some bookmarks using the sidebar from our stationary. The information is still pertinent. Crissa will be master of ceremonies. She will have a picture of an etching of the Boodey House printed as gifts for the heritage group.

Cathy showed us her PowerPoint presentation as it stands now. It will provide the historical aspects of the restoration project. She can provide a projector. Crissa will talk about the family including several artifacts she has and Sherry will talk about the future of the project.

Next meeting is scheduled for August 29th at 7pm at the Town Hall.

The meeting adjourned at 8:30pm.

Respectfully Submitted
