

## Copple Crown Village District Minutes September 1, 2016

Meeting was called to order at 7:08pm.

Secretary's report was accepted as read.

Treasurer's report was not available.

Road Report- Crack sealing bill was changed to a lower rate. Rate has been approved by Commissioner's.

-Steve will ask Pat to contact Matt about the road side repairs and plowing.

-Christine asked about the trees around the roads being trimmed. George will talk with Eversource.

- Ed would like gravel put at the end of his road to have it fixed. Will be discussed with current road side repairs.
- When materials come in then the bus stop area will have gravel on the edges of the road, making it easier for pulling off the road at the bus stop.

Water Report- Consumer confidence reports will be handled by Granite State for a rate of \$350.00

Parking area form for the lodge area will be revised by the Commissioner's.

The meeting adjourned at 7:44pm
