

1772 Meetinghouse Restoration Committee
Meeting
August 13, 2012
New Durham Public Library

Members present: Cathy Allyn, Ann Kelley, Bob Craycraft (via telephone)
Others present: George Gale

Chair Allyn called the meeting to order at 7:10 p.m.

The committee discussed the great success at the 250th Birthday Celebration. Approximately 70 toured the premises in the morning, and approximately 20-25 came by the booth at the ball field in the evening. Most signed the petition asking for money to be put in the CRF to complete restoration in 10 years or less.

George said he spoke with someone interested in joining the committee, and Cathy said she would contact the person. George set up the on-line petition and asked that everyone send it out to friends with requests to pass it on, so we will have a total of 200 names. George said this would also give us an email list to gather volunteers for projects.

Ann and George are to check out accessible emails on the online petition. Ann will also check on MMLA's involvement.

LCHIP Grant – Cathy will ask Alison to put the committee's request to pursue the grant on the BOS's agenda for August 20, and to have us meet with the CIP committee. George is going to Concord to meet with Amy Dixon.

Bob is to get information on how to tally in-kind service hours.

The committee scheduled its next meeting for Thursday, August 23 at 7:00 at the library.

Motion by Bob to approve the minutes; second by Cathy. Ann abstained. The motion passed unanimously.

Motion by Bob to adjourn the meeting at 7:46 p.m.; second by Ann. The motion passed unanimously.

Respectfully submitted,
Cathy Allyn
